Certificate of conformity

Based on Estonian Regulation No. 49 of the Minister of Economic Affairs and Communications of 26.07.2013 „Requirements and procedure for attestation of the conformity for building materials and construction products“ § 4, it has been stated that the construction product

Single leaf and double leaf E60/EW60 door with side and transom panels made of Stålpofil Concept 300/700 series mild or stainless steel profiles, type TPU705

placed on the market by

Tammer OÜ

Väike-Paala tn 4/2, 11415 Tallinn, Harju maakond, Estonia

and produced in the factory

Tammer OÜ

Väike-Paala tn 4/2, 11415 Tallinn, Harju maakond, Estonia

is submitted by the manufacturer to a factory production control. Kiwa Estonia OÜ has performed type assessment, the initial inspection of the factory and of the factory production control and performs the continuous surveillance and assessment of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

EN 16034:2014

were applied and that the product fulfils all the prescribed requirements.

This certificate remains valid as long as the conditions laid down in the standard in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly. The validity of the certificate may be confirmed at the web address www.kiwa.com/ee. Classification and field of direct application is presented in the technical description TS-ET-0290 Appendix Z.
